

# Democratic Leaders for Frank LaRocca

Dear Fellow Democrat:

As experienced Democratic leaders in Monmouth County, who have worked tirelessly with and for County and local candidates, ***we are proud to endorse Frank LaRocca for Monmouth County Democratic Chairman***. Frank has the experience, vision and determination to not only make Monmouth County competitive, but to turn it from Red to Blue.

When assessing the qualities necessary to be a successful County Chairman, it is our belief that Frank has them in abundance:

- Unmatched history of fundraising at the local level having raised over \$500,000 in three cycles for municipal elections.
- Commitment to ALL Monmouth County Democrats. Frank has hosted fundraisers, provided headshots and lawn signs, and offered strategic advice for candidates up and down the ballot.
- Proven winner, having won 8 of 9 seats in Marlboro, including 2 of 3 Republican seats during the Christie campaign.
- Energized and empowered an over 1,200 member youth council creating a culture of community and civic responsibility in Monmouth County teens.
- Accomplished and respected professional, recognized as being a Top 100 lawyer in New Jersey by his peers five (5) years in a row.

Being a Democrat in Monmouth County presents many challenges and obstacles yet holds enormous opportunities for those able to organize, message and fundraise properly. Frank has the blueprint for success and is ready to lead Monmouth County Democrats from day one. Please join us in supporting proven leadership, upstanding character, and inspiring vision.
