Dear Fellow Republican,

We hope this letter finds you well. The Monmouth County Republican Committee's bi-annual re-organization convention will take place on Tuesday, June 10<sup>th</sup>, beginning at 7PM. This will include elections for the positions of Chairman and Vice-Chair. Each office is a two year term. The convention will be held at "iPlay America" (110 Schanck Rd., Freehold Twp., 07728). Candidates for County Committee who win their districts in the June 3<sup>rd</sup> Republican Primary election will be eligible to vote at the convention.

It gives us great pleasure to announce we will be seeking another term as Chairman, and Vice-Chair, respectively. **The bottom line is that every facet of the Monmouth County Republican Party is better off today than when we took office two years ago!**

With your help over the last two years, together we have been able to accomplish great things:

- **We have a demonstrated fundraising ability. In the 21 month since taking office, contributions to the party have increased 52% over what they were in the 21 months prior to us taking office.**
- Last November, we delivered a resounding 2-1 victory in the countywide races.
- On the top of the ticket last year, we gave Governor Christie and Monmouth County's own Lieutenant Governor Kim Guadagno an unprecedented 75,000 vote plurality. Only 2 counties in the state delivered more votes, and only 1 county delivered a bigger plurality of votes.
- In 2013, with help from the Republican National Committee, we ran the biggest field program in the history of Monmouth County Republican politics. Our outstanding, hard-working volunteers made 387,000 phone calls and knocked on 115,000 doors.
- We won the Primary last June when our MCRC candidates were challenged. By running a hard campaign and raising the necessary funds, we beat our challengers by garnering more than 80% of the vote.
- In 2012, despite our Republican strongholds sustaining severe damage from Sandy, our Freeholder candidates were still able to win by over 12 percentage points.
- We have strengthened ties between the county and local campaigns and offered more local political support

There's no doubt we've made a lot of progress in the last two years, but we have only been able to accomplish these things with your help. For this, we thank you and humbly ask for your vote at the June 10<sup>th</sup> convention. With your continued backing, we will keep growing and strengthening our great party. We look forward to seeing you on June 10<sup>th</sup>

Thank you,

*John*
