

John O. Bennett

For Chairman

Susan Cohen

For Vice-Chairwoman

FOR IMMEDIATE RELEASE- May 28, 2014
Freehold Township Elected Officials Endorse John Bennett

We are supporting John Bennett for a second term as Chairman of the Monmouth County Republican Committee. We urge the Republican County Committee membership to please do the same at the June 10th convention.

Chairman Bennett has made fund-raising a top priority, and contributions to the Party have increased 52% in the last two years! John has also made great strides in making political resources more readily available to local candidates and Committee Chairmen. When he ran two years ago, John made a promise to keep our County Party headquarters open and staffed full time. He has done that, and County Party resources are more available to local Chairmen and candidates now than ever before. Whenever we have asked for help from the Freehold office, we have received it.

We feel that John Bennett has performed well in building our Party and has a proven record for the past two years of winning elections in November.

The Monmouth County Republican Committee has fought hard and come a long way in the last few years. We have momentum and we should build on that progress. We need a vigilant and experienced Chairman at the helm.

Please stand with us to re-elect John Bennett, and keep the Monmouth County Republican Party moving forward toward further unity and success.
