Dear County Committee Member:

On June 10, 2014 at 7pm, at iPlay America in Freehold Township we will come together to decide who will serve as our next Monmouth Republican Chairman. I thank you for all of your support throughout this campaign and I humbly ask for your vote at our Monmouth Republican Convention.

Over the past month, I have shared my positive vision for the future of our Party in Monmouth County. As an organization, we must be the leaders in innovation, technology, outreach and communication. We must boldly meet our challenges with the commitment to never rest on our laurels and never stop sharing our message of conservative values, fiscal responsibility and ethical leadership.

We must build coalitions, attract new members and educate new residents about the accomplishments of Republicans in Monmouth County. We must engage in outreach to our diversifying population, re-energize our Young Republican organization, energize our seniors, and use our resources wisely to invest in local campaigns.

I have been humbled by the outpouring of support from towns large and small who share my vision for our future. Republican leaders from Howell, Wall, Middletown, Avon, Ocean, Marlboro, Keyport, Holmdel, Spring Lake, Neptune City and so many others who believe that we must take action to grow and build on our Republican foundation not just at the County level, but in our local municipalities.

It has always been my top priority to spent time working with you, members of our great Republican family- marching side by side with you at your parades, manning GOP tables at various community functions, attending barbecues and events with your Republican clubs and supporting your candidates both personally and financially.

Our greatest gift as Americans is democracy – the freedom to choose the path we wish to follow and the leader who will walk with us, side by side, on that path. I invite you to join me on a positive journey of honoring our past traditions and accomplishments, while embracing the tools and techniques required to build a strong future for Republicans in Monmouth County. A journey of partnerships, teamwork, and innovation.

I will serve as your Chairman with the enthusiasm, honor, dignity and integrity as I have shown throughout my career, and I respectfully ask for your vote on June 10, 2014.

Respectfully yours,

A handwritten signature in black ink that reads "Shaun Golden".
