Voting in the Voting Booth on Election Day

In order to vote for the Write-In Candidates on Election Day you must perform a write-in vote. The following steps show you how to perform a write-in vote.

When you arrive at the poll, you may ask the poll worker to show you how to do a write-in vote. <u>Be sure to ask for a demonstration before you begin the voting process</u>. Once the voting machine has been initialized, the poll worker will not enter voting booth due to privacy laws.
