Monmouth County Republican Committee

Dear County Committee Member:

We write to express our support for Edward H. (Ned) Thomson for General Assembly in the 30th Legislative District.

As elected officials in Wall Township, Ned's hometown, we have first-hand knowledge of his dedication to public service and his commitment to enhancing the quality of life in our region. Ned has served our community with distinction for over 20 years, including two terms as Mayor, and many years as a member of the Township Committee, the Planning Board and the Board of Adjustment. In all facets of his service he has displayed an extraordinary work ethic, sound judgment and prudent leadership.

Moreover, as a lifelong area resident and small business owner he understands the challenges that confront our region of the State. We are confident that his proven record of leadership and professional accomplishments as an experienced actuary will serve the citizens of the 30th Legislative District well. His understanding of complex fiscal matters will be put to good use in Trenton where, all too often, reckless fiscal practices prevail.

We are proud to support Ned for a seat in the General Assembly and urge you to vote for him at the LD 30 convention scheduled for August 14, 2017. Together with Assemblyman Sean Kean and Senator Bob Singer, Ned will continue the great work that our LD 30 representatives have done to protect and preserve the values that we hold dear.

Sincerely,

Dominick (Nick) DiRocco
Mayor, Wall Township
