Dear Legislative District 30 County Committee Member:

I hope you are enjoying the summer and that this correspondence finds you well.

I am writing today to let you know that I am supporting Edward “Ned” Thomson III as a candidate for the General Assembly in Legislative District 30. Ned is an experienced public official and I would be proud to have him as my running mate.

Ned Thomson has held public office in Wall Township for more than 20 years. He served twice as Wall Township Mayor and served as a Wall Township Committeeman for over a decade. In addition, Ned has also served on the Zoning Board of Adjustment, Planning Board and the Wall County Committee.

Further, Ned is very knowledgeable about state fiscal issues and will bring that knowledge to the Legislature. He has served for the past 23 years as a Governor’s Appointed Trustee of the New Jersey Public Employee Pension System and is a member of the State Investment Council.

Ned, a life-long resident of New Jersey, has been married to his wife Sandra for more than 32 years and they have three grown children. He is a self-employed businessman with an office in Sea Girt.

Ned knows the important issues to the constituents of Legislative District 30 and he will be an effective advocate in the Legislature. Thus, I ask you to support Ned Thomson for Assembly in the District 30 convention on August 14, 2017.

Thanks,

Sean T. Kean
